

- Children & staff will be required to wear face masks during transportation.
- Children will be screened upon entering the facility. Any child who has a temperature of 100.4 or higher or is experiencing any COVID-19-like symptoms will be sent home immediately.
- Staff will be screened prior to each scheduled shift with temperature checks and completing a questionnaire.
- Children and staff will be assigned to a group of no more than 12 in a group and will remain with that group for the week. This will help limit exposure and determine who may have been compromised if an illness arises.
- Doors will remain locked during Dynamo ASA operating hours. This will prevent unnecessary foot traffic inside the facility.
- Parents will utilize the curbside, contactless pickup on their device when arriving at Dynamo ASA.
- Any child who develops symptoms of illness while at Dynamo ASA will be kept in a separate area until their parent/guardian arrives.
- Extensive cleaning will be performed each day prior to children arriving to the facility.
- Vans will be thoroughly cleaned each day.
